Services per Membership Level

All BluePeak ADVANTAGE Members receive the following services:

► Weekly Guidance Monitor

A weekly log of Centers for Medicare and Medicaid Services (CMS) guidance tailored to your organization that includes:

- Health Plan Management System (HPMS) memos and guidance from CMS' website, Federal Register, Office of Management and Budget (OMB), and more
- Guidance summaries by operational areas and level of urgency
- Your very own BluePeak Senior Consultant to highlight the guidance that needs your attention and answer any questions you may have

► Articles and Industry Update Emails

A weekly industry news wrap-up: The BluePeak Buzz and articles of interest from industry news sources and BluePeak.

► Quarterly Presentations

Quarterly presentations on relevant industry events, such as big guidance changes, audit trends and more!

► Dedicated Account Manager

BluePeak account managers are your phone-a-friend for any questions you might have about CMS guidance and/or processes.

► Additional Services Discount

BluePeak's way of saying "thank you" for allowing us to provide services in addition to those included in your membership level.

► Training

One instructor led two-hour virtual training session of your choice per year, or additional free course(s) in BluePeak University™, our computer-based training platform that gives you access to trainings created by our industry experts.
